This is the real defining line of who is responsible for the improvements. Commissioner Wirkner reported if the improvements needed go outside of the existing right-of-way then the responsibility falls to the Commissioners but if it stays within the existing right-of-way the township is responsible. Janice E. Leggett, Clerk Supervisor, Commissioners appeared before the Board to discuss the contract with Hall Community Development for the Community Housing Impact & Preservation (CHIP) PY15 grant. She explained the Board increased the contract with Hall on June 22, 2017 by \$3,425.00 for the HOME Private Rehabilitation activity. In discussing this change with Hall, Ms. Leggett advised the \$3,425.00 needs to be split between both HOME and CDBG Private Rehabilitation, as follows: \$2,443.00 HOME and \$982.00 CDBG. This is just a revision of where the funds are coming from, not an additional increase to the contract.

WATER POLLUTION CONTROL LOAN FUND/HOUSEHOLD SEWAGE TREATMENT SYSTEM**

Janice Leggett, Clerk Supervisor, advised she needs to sit down with Leann Cline, Health Commissioner and Scott Lenigan, Environmental Health Director, because there are seven more septic systems to be installed which breaks down into three projects to bid. Ms. Leggett advised the EPA has asked that all contracts be presented to them by the end of October and this is going to be an issue because we seem to be at a standstill. Ms. Leggett explained there is a disagreement about a discharge point on one property and there is another property that Mr. Lenigan needs to look at.
